SUMMARY

Computer Science student at Atma Jaya Yogyakarta with Full Stack Developer experience. Skilled in React.js, Next.js, Express.js, Laravel, and Flutter. Passionate about Blockchain and eager to grow in back-end or mobile development.

EDUCATION

Atma Jaya Yogyakarta University (2021 - Present)

Bachelor Degree of Computer – GPA 3.69/4.00 | Concentration: Software Engineering, Artificial Intelligence
Course Works: Programming, Software Engineering, Computer Architecture & Organization

Vocational High School Hasanah Pekanbaru (2018 - 2021)

Software Engineering – Score 98/100 | Concentration: Web Development

EXPERIENCES

Infinite Learning Indonesia

Web App Developer (September 2024 - January 2025)

- Built AI-powered crop recommendation system using React.js, Express.js, and weather data APIs.
- Integrated location-based forecasts and historical data.
- Enabled farmer collaboration and knowledge sharing via web platform.

Atma Jaya Yogyakarta University

Lecturer Assistant (February – July 2023)

- Guided 200+ students in C programming across 4 classes.
- Created modules, assignments, and graded submissions.

Mattcom Indonesia

Full-Stack Developer (January – May 2020)

- Developed APINDO (Asosiasi Pengusaha Indonesia) Riau website using Joomla & PHP.

PROJECTS

AI-Based Crop Recommender with Weather Prediction and Soil Prediction Using GIS

React.js + Express.js + ML model using BMKG API & historical data

CERTIFICATIONS

2nd Place – National Hybrid Mobile & Website Development Competition, Infinite Learning (2024), Built cross-platform app with React for Web and Kotlin for Mobile to improve team collaboration.

SKILLS

Hard Skills: JavaScript, Python, PHP, C, Dart, Java, TypeScript | React.js, Next.js, Express.js, Flutter, Laravel | MySQL, Firebase, PostgreSQL, MongoDB | Git, Docker, Azure

Soft Skills: Group Leader – KKN Atma Jaya (2024), led community empowerment initiatives; Vice Coordinator – Informatics Student Association (2022–2023), organized academic events and supported 100+ students

Languages: Indonesian (Native), English (Professional Working Proficiency)
